EDUCATION

University of Texas at Austin	Bachelor of Science, Public Health	Class of 2022
	Certificate in Elements of Computing	Class of 2022
	Cumulative GPA: 3.8968	
	Major GPA: 3.8635	

EXPERIENCE

Implementation Specialist - *Onit*   November 2022 - Present
- Implementation of Contract Lifecycle Management software to automate efficient workflow of the legal contract management process.
- Cooperated with project managers, business analysts, and other key members of my teams to gather requirements from external clients and customize an environment specific to their needs.
- Built REST requests, designed web applications with HTML, and wrote complex logic for each project using LiquidJS.

Patient Care Technician – *St. David's South Austin Medical Center*   June 2022 - November 2022
- Provided quality care and support for patients in the medical-surgical and oncology unit by ambulating patients, measuring and documenting vital signs, and maintaining medical equipment and dressings to prevent infections.
- Communicated with nurses, technicians, and doctors to give appropriate and timely care to patients.

PROJECTS

Strong Horns – *Browser Game*   September 2021 – December 2021
- Collaborated with a team of four people via voice calls and Git to create a 2-D platform fighting game within 3 months. I met weekly with the team to give updates on progress towards the repository and assisted teammates on their parts of the work. I contributed both front and back-end development of the game by implementing movement of the character, the scoring system, the user-interface, and the environment with the Phaser framework.
- JavaScript, HTML, and CSS were tools that I taught myself during the development of the game.
- Skills Used: JavaScript, HTML, CSS, Phaser

LEADERSHIP EXPERIENCE AND ACTIVITIES

Camp Kesem – *Camp Counselor, Unit Leader, Program Leader*   Spring 2020 – Summer 2022
- Student-led organization dedicated to supporting children affected by parental cancer
- Organized and ran two week-long annual camps for affected children in Central Texas
- Supported and made kids smile during virtual and in-person activity days throughout the year
- Communicated and delegated counselors in my unit to supervise the campers
- Raised over $800 to pay for kids to go to camp

Texas Pre-Physician Assistant Society – Active *Member, Treasurer*   Fall 2019 – Spring 2022
- Organization aimed to help students explore the physician assistant profession and provide professional contacts
- Handle finances and budgeting of the organization
- Record keeping of student dues and fundraising
